739. Daily Temperatures

stack of temperatures that didn't have a warmer day happen yet

day 4: 29

30, 28, 27,

27	
28	29
30	30

Monotonically increasing stack

stack: list[int, int]
temp, index

for t in temps:

Resolve all days in the stack that are colder than t.

stack.append(temp, i)
